

African Design Magazine's primary focus is to deliver expert digital content which is engaging, fresh and relevant to Design professionals. Through our live interactive platforms, we encourage our readers and advertisers to network and actively engage in insightful conversation on aspects of African design.

- Direct targeting opportunities to a niche audience of design professionals
- A digital connection to your company's website and social media for greater traffic
- Endless shelf-life for constant viewing of previous issues
- Interactive opportunities to make your advertisement more striking and eye-catching
